# WHY SPONSOR

## Your Sponsorship Matters:

To achieve continued success and growth, the Visit Haywood Ice Fest needs your valuable sponsorship. By investing in this event, you contribute to the economic prosperity of Haywood County and its local businesses. Last year we were able to extend the festival into a multi-day event, partnering with towns and businesses throughout Haywood County. This expansion not only attracted more visitors but also encouraged overnight stays with **72% staying 2 or more nights**, leading to increased spending in local businesses.

## Benefits of Partnership:

By becoming a sponsor, you gain significant exposure and visibility among festival attendees. Your brand will be featured in our marketing materials, including social media campaigns, event signage, and press releases. This exposure will help you reach a wider audience and boost your brand recognition within the community.
